

## **FCC KIDS' COVID PLAN**

Our mission is to partner with parents to help kids become fully engaged followers of Christ. One way we are partnering with parents during COVID-19 is to provide programming that keeps kids as safe as possible. The guidelines below show you how we are making Sunday safe for your child.

### **HOW WE ARE KEEPING YOUR CHILD SAFE:**

- Taking temperatures upon entry to the kids' classrooms.
- Requiring masks for volunteers, parents, and 5 years – 4<sup>th</sup> grade children. Masks are recommended but are optional for 3-4 year olds.
- Providing a touch free check-in option.
- Sanitizing rooms between Sunday services.
- Providing hand sanitizer to each child upon entering their space.
- Allowing only one parent/guardian to enter the spaces for drop-off and pick-up.
- Limiting items brought into the space (no strollers, car seats or toys, please).

### **ADDITIONAL POLICIES FOR NURSERY AND PRESCHOOL:**

- No snacks will be served.
- Baby bottles will be given but should be pre-made.
- Toys and blankets will be placed in a used bin to be washed and sanitized after each service.
- Gloves will be worn when changing diapers.

### **ADDITIONAL POLICIES FOR ELEMENTARY AGES:**

- Requiring social distancing during small and large groups.
- Individual supplies will be given per child as needed for activities.
- Activities will limit physical contact with another person or shared items.
